Air & Waste Management Association (A&WMA) Gulf Coast Chapter Undergraduate Environmental Science and Engineering Scholarship

Application for Entering, Currently Enrolled, and Transfer Students

A&WMA is an independent, non-profit organization that raises and manages private gifts to benefit and promote environmental studies.

A&WMA Gulf Coast Chapter Undergraduate Environmental Science and Engineering Scholarship was created to provide scholarships to undergraduate students who are interested in pursuing a career in an environmental engineering, environmental science, or a related field.

Eligibility

All undergraduate students admitted to a university in the State of Texas, who maintain satisfactory academic progress, and pursue a degree toward Environmental Engineering, Environmental Science, or a related degree are eligible.

Selection Criteria

All of the following selection criteria must be met to be considered by A&WMA:

- Student Major must be Environmental Engineering, Science, Geology, Chemistry, or another environmental related major;
- Student must be enrolling as a new student, current student, or transfer student in the Fall of 2015;
- Student must have a minimum ACT score of 23 or SAT score of 1150;
- Student must be enrolled/enrolling for a minimum of 12 hours and maintain this fulltime status throughout the semester and subsequent semesters;
- The cumulative grade point average (GPA) for current students and transfer students must be at least 3.00 or higher;
- Student must demonstrate leadership potential and participation in student and/or civic organizations and take an active role in their communities;
- Student must have an interest in pursuing a career in the environmental science or related field.

Application Procedure

Application Package:

Fall Semester of 2017 – Incoming Freshmen:

- A completed application form, signed and dated;
- An official high school transcript that includes completed courses through Fall 2016 must be sent to A&WMA;
- ACT and/or SAT score(s);
- Optional: Letters of recommendation are not required but welcome; please limit to three.

Fall Semester of 2017 – Currently Enrolled Students (excluding incoming freshmen):

- A completed application form, signed and dated;
- An official university transcript that includes completed courses through Fall 2016 must be sent to A&WMA;
 - o If you have transferred or are transferring more than 15 semester hours to the university, please provide an official transcript from all institutions previously attended;
- Optional: Letters of recommendation are not required but welcome; please limit to three.

Deadline:

A complete application package is due on Monday, May 15, 2017. The application must be postmarked by the deadline if submitting by post. An application package that does not contain all of the items specified above by the deadline will be considered incomplete. **Incomplete application packages will not be processed.**

How to apply:

The complete application package should be submitted electronically to: scholarship@awma-gcc.org. **Email subject must include “2017 Undergraduate Scholarship Application” and “Candidate’s Name”.**

Candidates with no Internet access should mail the complete application package to:

Air & Waste Management Association – Gulf Coast Chapter
Attn: Undergraduate Scholarship Program
2429 Bissonnet, Ste. #342
Houston, TX 77005

For any further questions and inquiries, please contact: scholarship@awma-gcc.org. Email subject should indicate “2017 Undergraduate Scholarship Inquiry”.
