~ Proudly Celebrating 110 Years of Environmental Stewardship ~

Founded in 1907, the Air & Waste Management Association (A&WMA) is a nonprofit, nonpartisan professional organization enhancing knowledge and expertise by providing a neutral forum for information exchange, professional development, networking opportunities, public education, and outreach to more than 5,000 environmental professionals in 65 countries. A&WMA promotes global environmental responsibility and increases the effectiveness of organizations to make critical decisions that benefit society.

The **Mission** of A&WMA is to assist in the professional development and critical environmental decision-making of our members to benefit society.

The **Core Purpose** of A&WMA is to improve environmental knowledge and decisions by providing a neutral forum for exchanging information.
