Privacy Policy: The Gulf Coast Chapter of the Air & Waste Management Association (A&WMA) is committed to protecting the privacy of its members. AWMA recognizes the interest of its members in the confidentiality of their personal information, and provides appropriate security controls to protect personal information against foreseeable hazards.

### Volunteer Information

For more information on duties of the officers, directors, or committees, see our website. Indicate your interest below.

<b>Membership Committee</b> – Takes care of the Chapter membership and the database.	<b>Officers and Directors</b> – There are open positions each year. See the website for more information on the progression and duties of Board Members and Committees.
<b>Educational/Scholarships Committee</b> – Oversees scholarships and awards & training opportunities for members. Develops criteria and makes recommendations.	<b>Meeting Announcements, Publications</b> – Compile, edit communication items for mailing, handout, or the website. Desktop publishing and graphic design skills would be helpful.
<b>Hot Air Topics Committee</b> – Assists in planning the annual Hot Air Topics Conference. Support needed for program, venue, exhibits, registration, finance, website, publicity, and proceedings.	

**Return this form to the following address or bring to a General Meeting:**

A&WMA-GCC, 2429 Bissonnet, Suite #342, Houston, TX 77005
